Dear Ms. Watson:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation (IEDC) has reviewed the economic impact analysis for small business associated with rule changes contained in LSA Document 08-945 and proposed by the Indiana State Library. The proposed rule adds 590 IAC 6 concerning various provisions related to library standards. The proposed rule also repeals 590 IAC 1-1-0.5, 590 IAC 1-1-0.6, 590 IAC 1-1-1, 590 IAC 1-1-2.5, and 590 IAC 1-3.

The economic impact statement prepared by the State Library indicates that the proposed rule will result in no increased costs to small businesses. The State Library anticipates that some of the technology upgrades provided for under the proposed rule could result in benefits for small business.

The IEDC does not object to the associated economic impact to small businesses associated with the proposed rule. If you have any questions about the comments contained herein please contact me at 234-3997 or eshields@iedc.in.gov.
